

Genesis 2: 4-15 Creation

The story of Genesis Chapter 2 by Biblia <https://youtu.be/rC41BsFzWdc>

In the creation story, God created people so that they could look after his beautiful world. Some people believe the creation account exactly as it appears in the Bible. Some people believe it is a story that people wrote to help others understand that everything comes from God. Whatever you believe, the important thing is that God's creation relies on us for its protection.

This week, why not make a tin can planter? Tins, especially ones which are lined, make really good planters. You can paint or varnish them, decorate them with stickers or cut out pictures or even old bits of fabric. You can stand them on a flat surface or, if an adult drills some holes in the top, you can put string through and hang them from a hook. Fill them with soil and plant a bulb or some seeds in there – you could even use a pip from some fruit or grow a carrot top to plant by standing it in some shallow water until it sprouts before planting it. Remember to water it, though.

A prayer for when you turn on a tap

God, thank you for your gift of water.
Help me to use it wisely. Amen

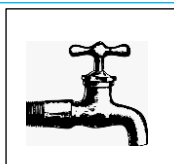

Genesis 2: 4-15 Creation

⁴ This is the story of the creation of the sky and the earth. When the Lord God made the earth and the sky, ⁵ there were no plants on the earth. Nothing was growing in the fields. The Lord God had not yet made it rain on the land. And there was no man to care for the ground. ⁶ But a mist often rose from the earth and watered all the ground.

⁷ Then the Lord God took dust from the ground and formed man from it. The Lord breathed the breath of life into the man's nose. And the man became a living person. ⁸ Then the Lord God planted a garden in the East, in a place called Eden. He put the man he had formed in that garden. ⁹ The Lord God caused every beautiful tree and every tree that was good for food to grow out of the ground. In the middle of the garden, God put the tree that gives life. And he put there the tree that gives the knowledge of good and evil.

¹⁰ A river flowed through Eden and watered the garden. From that point the river was divided. It had four streams flowing into it. ¹¹ The name of the first stream is Pishon. It flows around the whole land of Havilah, where there is gold. ¹² That gold is good. Bdellium and onyx are also there. ¹³ The name of the second river is Gihon. It flows around the whole land of Cush. ¹⁴ The name of the third river is Tigris. It flows out of Assyria toward the east. The fourth river is the Euphrates.

¹⁵ The Lord God put the man in the garden of Eden to care for it and work it.

I wonder how you think creation happened?
